Dear Mr. Williams:

I wanted to seize the moment and say thank you for providing Greater Lynn Senior Services with outstanding service and reliable products.

As you know, we've relied upon Jazzy Sportswear for over 11 years to provide us with quality items that promote health and well being for our senior consumers and professional peers.

But just as important to me is the professionalism and attention to detail that you have shown us each and every time we've requested your services. Your recommendations and suggestions show me that you've taken the time to learn about our agency and the programs we offer to consumers.

It is also very important to me that you are very active in the Lynn community and serve on the Board of Directors of the Lynn Area Chamber of Commerce. It is because of your local commitments to our community, that I first felt compelled to use your company and have had no regrets in my decision.

I also want to thank you on behalf of our Lynn Council on Aging and their senior center participants who were the recipients of your generosity when you donated Red Sox baseball caps during the past World Series of which our Boston Red Sox became champions! The seniors were beaming from ear to ear.

I will continue to recommend you to other professionals and know that they too will benefit from your company and personal commitment.

Again, thank you and I look forward to our continued collaboration in the future!

Sincerely,

Marilyn A. Long  
Assistant Director, Community Programs
