OVERVIEW

Distributors can earn 5% of all net sales* on PO's placed with Bontius Co. There is no fee to enter the program, points are earned on all invoices paid. You don't need to do anything to be eligible, all distributors are automatically enrolled in the program.

WHAT ARE THE BENEFITS FOR THE DISTRIBUTOR?

By simply being a loyal customer, you can get great items to help promote your business at no charge. You spend your whole time helping other people promote their business, so we figured we'd try and help you promote your own!

WHAT ARE THE BENEFITS FOR BONTIUS CO.?

Sure, we'd love it if you concentrated all your time on selling just our line, but hey, your customers need other stuff too! By giving you the ability to order Bontius products as self-promo essentially for free, you will be pushing our line every time you hand something out to a client. It's easier for you to sell something you are handing out, and we both get business from it. It's a WIN-WIN situation!

HOW DO I KNOW HOW MUCH CASH I HAVE EARNED?

During the first week of the month you will receive an updated balance. If you are just curious to find out, please contact us at sales@bontiusco.com and we'll respond within 24hrs with your balance.

DO I STILL GET EQP PRICING ON SELF-PROMO EVEN THOUGH I'M PAYING WITH POINTS?

Absolutely! Self-promo is the best and easiest way for you to sell a product many times over, so we want them out there in your hands.

Points are not earned on die/under min charges and self-promo PO's
