STITCHMAN INC. CANVAS FACTORY

Stitchman INC. started as an OEM cotton bag manufacturing facility during early 1990s, in Gujarat India. During the initial years it made bags for the promotion industry and over time growing the business to establish itself as one of the leading canvas bag manufacturer for the global fashion and utility industry. The factory is set upto Global Standards delivering the best quality canvas bags for various requirements; also attaining status of D&B Rated Company and Omega Complaint. "Rhombus" is a new approach powered by Stitchman Inc. — bringing designers, boutiques stores and trade buyers on a single platform.

Stitchman INC. production facility at Ahmedabad, India. Each of our team member is specially trained and we strongly believe it is paramount to uphold the environmental and ethical production practices.
