Barudan America Inc.

With almost 50 years of experience in manufacturing, service and support, Barudan provides the best-built machinery for both businesses and the home user. When you choose Barudan, you can expect quality, reliability and durability. The Servo driven Elite Pro II has a large sewing field in a 170 lb. cast aluminum frame. The 15-needle compact single-head sews as fast as 1,300 stitches-per-minute on flats and 1,000 on caps. As with all Barudans the Pro II includes the laser pointer to assist with proper placement of embroidery and can be networked directly to your computer and offers exceptional stitch quality. Contact (800) 627-4776 or visit www.barudan.com.
