

Dallas Preview

Come ready to find the hottest new products debuting for 2014

when you attend **ASI Dallas, February 4-6**, at the Kay Bailey Hutchison Convention Center. Featuring over 500 leading suppliers, you'll peruse a wide breadth of items, including wearables, writing instruments, caps, food, beauty, awards and more! Take this time to discuss your 2014 sales goals and your client projects with top vendors who are interested in supporting your business needs. While at the show, make sure to take advantage of the free Catalog Courier Service available. And, if you are an ASI distributor or decorator member you can ship one box of samples and catalogs back to your office at no cost as part of the Passport to Winnings program. Visit www.asishow.com to learn more about these programs and to view the entire list of ASI Dallas exhibitors.
