

The Magnet Group's Commitment to Ethical and Responsible Conduct

The Magnet Group believes we must not only meet the expectations of our customers and consumers, we must exceed those expectations. To that end, we have adopted standards for the safety, quality and integrity of our products and processes and we are committed to respecting the rights of individuals and protecting the environment. We are dedicated to complying with all applicable laws and to conduct business in an ethical and responsible manner.

Product Safety

We will comply with all applicable laws and regulations regarding safety of products we sell. We will meet applicable recognized voluntary standards for our products and processes.

No Abuse of Labor

We will not use any form of forced labor, including indentured, prison, bonded or slave labor. We will not use physical or verbal harassment to discipline employees.

No Child Labor

We will not use child labor. We will comply with all minimum age provisions of applicable laws and regulations.

Freedom of Association

We respect the rights of employees to associate or organize, or join a union without fear of reprisal or interference. If employees are represented by a union recognized under law, we respect the right to bargain collectively.

No Discrimination

We will not discriminate in hiring and employment practices on the basis of age, nationality, race, religion, social or ethnic orientation, gender or disability.

Hours and Wages

We will comply with all applicable wage, work hours, benefits, and overtime laws and regulations. If local industry standards are higher than applicable laws and regulations, we will meet higher standards.

Workplace Conditions

We will provide a safe, healthy and secure workplace. We will abide by all applicable laws and regulations for safety and health. Proper sanitation, lighting, ventilations and fire safety protection will be provided.

Environment

We abide by all applicable environmental laws and regulations. We will manage our environmental footprint to minimize the adverse impact on the environment. We will manage our energy, water and waster systems for maximum efficiency and minimal adverse impact on the environment.

Absence of Applicable Laws and Regulations

In the absence of law in a particular location relating to product safety, labor, employment, environment or working conditions, the spirit and intent of these policies shall be met.

Subcontractors and Sources

We require all businesses that support our business as subcontractors, manufacturers or sources of goods to comply with all of the same policies stated in our Commitment to Ethical and Responsible Conduct Policy. All subcontractors and suppliers are required to comply with all applicable and national laws. We expect those businesses to develop and implement internal business procedures to ensure compliance with our policy. We routinely monitor and assess compliance.
