Bandanas

Bandanas have become more popular than ever, especially since the CDC advises facial coverings be worn by everyone in public. Since bandanas come in a variety of styles and designs, they're great accessories for personal expression and promotional use. They're also incredibly versatile and can be worn not only as face masks but as wristbands, headbands, headwraps, neck wraps and so much more. Take a look at these popular styles and pick the one that's best for your business.

A. Stylish Branding

This 22" x 22" cotton bandana is available in a bunch of colors. Just add your company name and logo to increase brand visibility. Whether your customers need it to cover their face or keep sweat out of their eyes, this classic accessory does the trick.

B. Go Custom

Match the theme of your event or your company colors when you imprint this 100% cotton bandana. Great for daily use, runs, walks and so much more.

C. Versatility Is Key

Add your logo to this multifunctional Yowie bandana and use it as a wristband, head wrap, scarf, face mask, skull cap, hair band, scrunchie and rally towel.

D. Your Biggest Fan

The Fandana is a 100% polyester microfiber all-purpose unisex accessory. With a tubular design, it's great for walkers, runners and fitness enthusiasts of all types.

E. BRANDana

Soft and stretchy, this brandana is comfortable, breathable and machine-washable. You can totally customize it with a Pantone-matched full-color, full-bleed imprint of your logo or a marketing message.

F. For All Occasions

The Bammie is so much more than a bandana. Whether your customers and employees wear it as a dust-repelling face mask or a fashionable arm band, your brand will make a statement. Add your logo with a vivid dye-sublimation process.
