Pricing Subject to Change

- The SportShaker is made in the USA and is 100% leak proof
- Uses patented ProBlend Technology harnessing the power of kinetic energy
- Studies show that kinetic based mixing elements that blend against the flow of material provide a more effective and smoother blend than shakers with free moving mixing elements that only flow with the material
- The shaker features a screw-on cap with a convenient carry handle and a lid that snaps tight to secure the contents
- It's a great giveaway for outdoor and sport events, gyms, or personal trainers, etc
- Note: Item components packaged separately. Assembly required.

***Item components packaged separately. Assembly required.**
