The Best Selling Spot Tracker fitted with a luggage tag accessory.

5. PowerTag #4194:
Premium Bluetooth Tracker Works with Apple Find My.

Attach. Stash. Keep Track.

WALLET

LUGGAGE

The tracker that's as thin as a credit card.

6. PowerTag Card # 4226:

Ultra Slim Premium Tracker works with Apple Find My. As slim as a credit card, the thin profile makes it easy to slide into a wallet, attach to luggage or to your keychain. Compatible with the Apple Find My Network. iPhone users connect to the Find My app allowing them to leverage Apple's billion user network (worldwide) in the event you lose the PowerTag Card. The same PowerTag Card is also compatible with Android phones. Android users can pair to the new Spot 2.0 Bluetooth Finder app. Unlike most trackers, the innovative PowerTag Card is recharged wirelessly so no battery replacements or cumbersome cables.

Portable Power

Safety Certified Power Banks

1. PowerTrip Classic #4185: 6,400 mAh power bank with multiple charging ports, emergency solar panel and convenient fold-out AC wall plug. **2. PowerSnap #4237:** 5,000 mAh battery portable charger with Flip-up USB-C connector **3. Nova #4081:** 2,200 mAh portable charger that features a USB A port and USB C port (in/out) **4. Nova+ #4082:** 4,400 mAh mAh portable charger that features a USB A port and USB C port (in/out)

Desktop Wireless Charging

2. PowerSnap #4237: 5,000 mAh battery portable charger with Flip-up USB-C connector **5. PowerStation #4233:** Desktop wireless charger with 3 different ambient light settings **6. DeskShield Charge #4141:** Premium vegan leather desk mat with integrated wireless charging pad. **7. ClearCharge #4150:** Crystal clear wireless charging pad that emits a soft glow as it charges. Also doubles a functional commemorative award with laser etched logo.

MagSafe® Compatible Chargers

8. MagStand #4234
MagStand is an adjustable desktop phone stand and wireless charger. It features MagSafe® compatible magnets so your phone snaps into the optimal charging position. The charging head tilts to provide the perfect angle for hands-free watching or scrolling.

9. PowerMag #4220:
A MagSafe® compatible wireless charger that magnetically snaps to the back of your phone or MagSafe® case. The 5,000 mAh provides most phones with hours of additional battery life without the need for extra cables. The unique flip-out kickstand can be used to prop your phone at a comfortable angle for hands-free viewing.

Phone Accessories

MiniStand #4140

The convenient, flat design opens up so your phone can rest against it. It's the perfect little companion for watching videos, or scrolling the web while remaining hands-free. Perfect for on-the-go, travel and trade shows

FoldStand #4103

A pocket-sized, universal phone stand. Folds flat and is adjustable. Your phone rests against it at a comfortable angle; perfect for watching videos or surfing the web. Keep it on your desk or on-the-go. Supports phones & tablets in both portrait and landscape position.

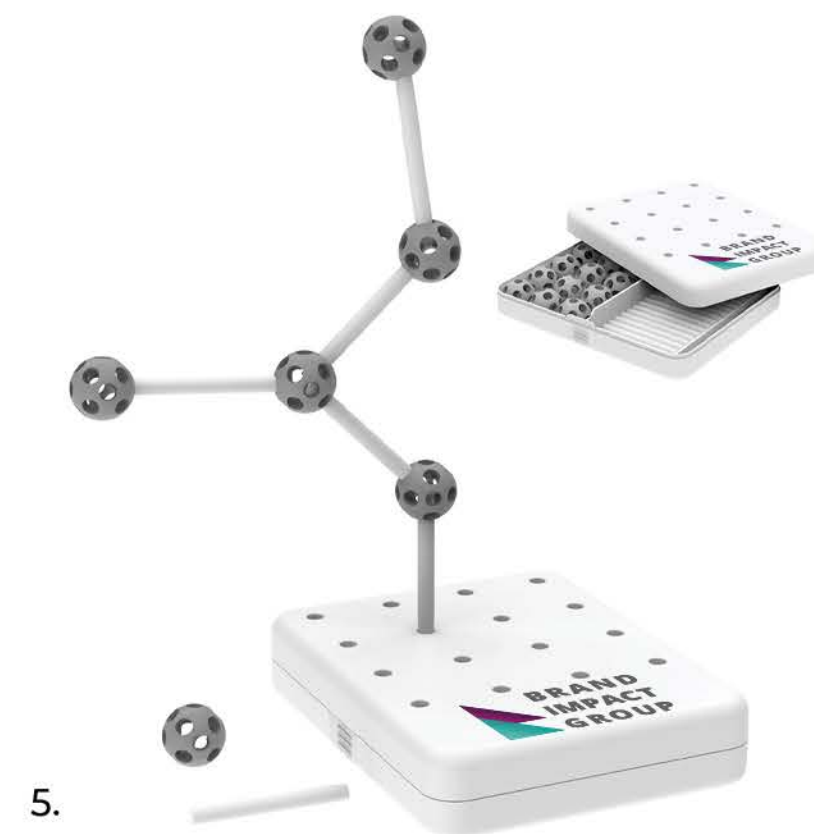

ClutchMag #4222

Designed to keep your three most important cards conveniently on the back of your phone. It boasts sturdy built-in magnets for secure attachment to the back of your MagSafe® compatible phone. Don't have a MagSafe® phone? No problem. Use the included adhesive ring to enjoy the same magnetic connection, regardless of your phone model.

Aura #4116

Look your best in photos, videos and Zoom calls by adding a little extra light. A ring light can help reduce shadows, cast a flattering light on the subject and illuminate the eyes. Clips on to a mobile phone or laptop. Features multiple settings, a rechargeable battery and a built-in camera cover that slides down adding security while not in use.

Creative Gifts

1. ClearPad #4128: Transparent Reusable Memo Pad with included white Chalk Marker. Easily wipes clean with a tissue so it is endlessly reusable **2. KolorKit #3089:** Customizable Coloring Book Set includes colored pencils & folder packaging. Coloring book feature 16 preset coloring pages with custom front and back cover **3. Puzzle 120 pcs #4135:** Vibrant Full Color Puzzle with Premium Silken Gift Box. Includes full color image on the box top as the puzzle reference image.

4. MagnaSculpt #4191: Magnetic Build Your Own Desktop Sculpture Set with clear acrylic base and metal ball bearings. Includes case to hold the 45 building pieces. **5. Molecule #4216:** Interactive Desktop Sculpture Set. The case opens to store the pieces inside.
