

Edwards Garment: Three Brands. One Company.

When it comes to uniform programs and apparel, you have an expert you can trust to grow your business.

Sometimes selling apparel can be a bit daunting, but when a supplier and distributor partner together, magic can happen. From a one-off promotional spot buy to a complex multi-year uniform program annuity, **Edwards Garment has the products and services to help you succeed.** From Edwards ready-to-ship stock apparel to full custom EdwardsX creations, we'll explain everything you need to know to decide which option to use.

Edwards®

EST. 1867

Edwards Stock Apparel

Selling apparel since 1867, Edwards knows a thing or two about apparel. Known as a uniform company, they have launched **new ladies' styles, outerwear** and other **retail-inspired styles** that are great for the promotional industry as well. With fulfillment benefits such as **quick-turn shipping, one-piece minimums** and **in-house decoration** (also with one-piece minimum!), you have a supplier partner offering you the stock apparel for those tight deadlines. But you also get benefits and services such as **extended sizing, pre-launch product testing** to make sure the garment holds up to the wear and tear of the job, **pack-by-person, drop shipping,** and **fulfillment** to tackle the toughest stock apparel program needs.

point grey™

by Edwards

Point Grey Collection

Launched in spring 2023, this line is a must-have for **contemporary apparel opportunities.** Featuring selling points such as apparel that's **ergonomically engineered** and **sustainability focused** – as well as with modern, tailored fits – this line is the perfect apparel option to match the trend of **comfortable business casual style.** It's a collection that can be worn to work in the day and out to dinner in the evening. Featuring **four-way stretch,** this collection is so **soft and flexible** that once you feel it, you'll be sure to offer this to all your apparel opportunities.

Edwards®XX

EdwardsX True Custom Apparel

For those occasions where you need to wow your customer, this is literally an **"if you dream it, they can make it"** service. The benefit of using **EdwardsX custom apparel** is that there is nothing else like it, it is **truly one-of-a-kind.** The customer can also specify **any Pantone color** to match their branding and use **intricate details** to highlight their brand identity – from **zipper pulls** to **trim,** even **sublimated interiors.** If your customer wants it, they can have it with **EdwardsX,** so make use of this brand for some of those larger opportunities where sustainability and uniqueness are key.

Where To Grow Your Business

Most likely you are already selling promotional products to customers, so you already have a foot in the door. Offer apparel to **secure their uniform business** or use **EdwardsX** to design the **perfect style for their retail shop.** **Edwards Garment is an industry leader** in supplying apparel to the healthcare, restaurant, hotel, security, transportation, casino/gaming and entertainment industries. Know you can expand your business into these sectors as well with a trusted partner at your side. **Edwards Garment** can help you offer **quick-fulfillment stock apparel, made-from-scratch true custom apparel** and everything in between.
